

The Prodigal Sons and the Father
Luke 15:11-32

my son was lost and now is found!

Lesson 1

God forgives those who repent and He rejoices in that repentance.

Repentance is not just about feeling sorry but a commitment to change.

Lesson 2

We are in no position to be envious, jealous or even skeptical of God's grace – even for the most hated and wayward of sinners.

Instead we are to learn to love the very people whom the world has forsaken.

Lesson 3

God the Father's love for us is no less than extraordinary.

What then is our response?
